AC/DC Products Ideal for Industrial Solutions

- **CUS-M Series:** High performance 30 to 1500 Watt, up to 96% efficiency
- Cooling Options: Convection, conduction, or forced air
- Features: Low EMI, peak-power rated, industry-leading warranties

CUS-M Brochure

- **MU Series:** 1U high modular power supply delivers up to 800 Watt
- Multiple DC outputs with seamless 3.3V-104V adjustment range
- Features very low acoustic noise
- PMBus™ communication option
- Reliable performance: Backed by a 7-year warranty

MU Series Datasheet

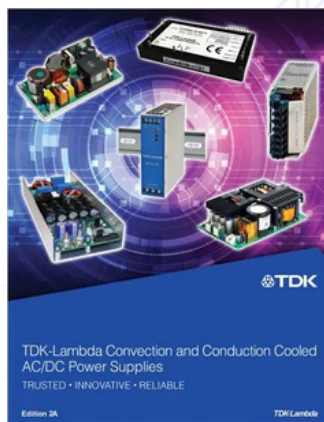

- **HWS3000 Series:** Compact 3000 Watt units with single or three-phase AC input, 10.6" x 5.9" x 2.4"
- Programmable Output: Constant voltage/current from 0 to max via RS485/ModBus or analog input
- Reliable Performance: Backed by a 7-year warranty
